WW2 HRS Elections

Board members shall be elected to serve for a period of two (2) calendar years and may run for re-election. The terms shall be staggered beginning in 2015 with terms for the President, Secretary, Axis Representative, and Commonwealth Representative to be one year for 2015 only.

The President, Secretary, Axis Representative, and Commonwealth Representative shall be elected in odd years. (2019)

The Vice President, Treasurer, Allied Representative shall be elected in even years. (2018)

All Directors must be members of the Society. All candidates running for a position on the Board of Directors must have been a member in good standing of the Society for at least the previous two years prior to the candidate's proclamation of candidacy. Any candidate, or member or the board may not be a relative of any other board members, to include father, son, daughter, mother, and any other relationship including first cousin. This also includes relationships by marriage like son-in-law, daughter-in-law, mother-in-law, and stepsons and daughters. Additionally, no two board members may reside in the same residence if not related. A relative of a board member may run for an office in the HRS, as long as the terms of the sitting board member and candidate do not overlap in any way.

Any individual wishing to run for a Board position, who is at least 21 years of age and has been a member in good standing of the Society for at least two years, may announce his or her candidacy for office by September 1 of an election year.

A written statement of intent and goals shall be delivered to at least two (2) Board members and the editor of the Society's publication(s).

1. Every member in good standing shall be informed of the list of candidates and office sought through the SOCIETY newsletter and via email.
2. Elections shall be held each year in November.
3. Elections shall be conducted through valid electronic means which will be announced to the membership two weeks in advance of the election.
4. Voting shall last for 14 days.
5. Results shall be announced no later than December 31 of the election year via email notification to every member in good standing and in the SOCIETY newsletter.
6. A result with less than a 3% difference in votes for the office President between the top two candidates will require a run-off election following the same vote procedure in December of the election year.

October 16, 2018
To Mr. Jonathan Stevens,

Dear Mr. President. This letter is to announce my candidacy for HRS Vice President for the 2019-2021 term. After careful thought and deliberation, I've decided to run for another two-year term with the goal of streamlining the operations, function and design of the Safety and Authenticity Committee. Rebuilding the Vehicle Committee will also be a priority as we've lost our committee chair. I also would like to see the Civilian Committee expanded and active, especially with the rise in civilian impressions.

Thank you for your time,
Charles Bolanis
Unit Commander – 3./SS-Panzergranadier-Regiment 21 “Fruntsberg”
World War 2 HRS Vice President

Ladies and Gentlemen of the World War Two Historical Reenactment Society:

My name is Jeffrey Skender, from Hoffman Estates, Illinois and I am running for the WW2 HRS board position of Treasurer. I am currently serving the HRS as both the Membership Coordinator and Editor of the EDGE.

I have been a member of the WW2 HRS since 2010. I started with 5th Company Großdeutschland. In 2013 I formed the WW2 HRS Press Corps.

Many of you have seen me with a camera and know I produce videos of our WW2 Re-enactments under the name of Heinz Thiel.

I have a military background, my father served in the U.S. Army in Germany after WW2. I have served with the U.S. Navy after the Vietnam War. I was on Asheville Class Gunboats. U.S. Navy Boot Camp and training at Great Lakes Naval Center. Survival and confidence training on the west coast and in Canada. Small arms Weapons trained by my father at a young age, later a Navy Sharpshooter.

I am an Electrical Engineer and Computer Programmer, the head of the Engineering Department at my workplace.

To the members of the World War Two Historical Reenactment Society:

It is with great enthusiasm that I submit my candidacy for Allied Representative for this upcoming election. When I decided to run for Allied Representative in the election two years ago, I ran with the mindset of 'service to others,' a motto that has only grown as my time in this position has gone along. It is a motto I live my life by, and one that I want to implement in a society that has given me so much and so many friends. Putting others above one's self is the same motto as the men and women we portray held, and one that we need to strive to always remember and teach to others through this hobby. As I tell every Reenactor and prospective Reenactor I meet, we truly become like family trying to accomplish the same mission: to teach the history of those that came before us and shaped us into who we are today; to keep history alive.

Working on this mission isn't always easy; we're all very different people, facing many different challenges. However, we all share the same passion for the past, wanting to learn as much as we can, and to remember and be thankful. We're all united, and a united organization is what we need to ensure that this hobby keeps going and growing. We've seen recent attacks on Civil War Reenactors for what they do, and it isn't a stretch to imagine that we may witness the same thing in World War Two. However, if we are united and focus on the missions of service to others and 'In the Tradition of Those Before Us,' we WILL continue to thrive as an Organization.

To tell a little about who I am, I currently work as a Special Education Instructional Assistant at Clarksville Middle School. Previously, I have taught 8th Grade U.S. History and Language Arts at this same school, as well as an introductory U.S. History course at the Mid-America College of Funeral Service. Teaching and History have always been in my blood; the desire to help others learn about where we come from so we know where we are going. I currently hold a Bachelor of Arts Degree in History (with a Minor in Sociology) from Indiana University Southeast, which I received in 2013. I am an Assistant Scoutmaster for a Boy Scouts of America Troop, and I earned my Eagle Scout award in 2009.

As far as my Reenacting career, I began in 2008 with World War Two, and branched out to include War of 1812, World War One, Korean War, and Vietnam War impressions, on top of a multitude of WWII allied and civilian impressions. I am currently a Sergeant in Company G, 505th Parachute Infantry Regiment, 82nd Airborne Division, helping to recruit and train new members, coordinate reenacting events, and ensuring that we always do our absolute best to teach the public about those that came before us. One of my proudest accomplishments has been working with the Honor Flight network, helping to bring World War Two veterans to see their monument in Washington D.C., free of charge. I help coordinate Reenactors to welcome these Veterans home from their trip, and to give them a small portion of the homecoming they deserve, but never received. I really believe that Honor Flights can help us as Reenactors remember why we put so much blood, sweat, toil and tears into this hobby.

In conclusion, thank you for your consideration for the position of Allied Representative for the World War Two Historical Reenactment Society. This position requires someone who has immense experience in allied history and a passion for serving others, in addition to the skills required to do the behind-the-scenes work for events, and to coordinate with others; experience which I believe I possess and that can be of immense use to the Society.

I would be more than happy to discuss any questions you may have, and I can be reached at cevaughnius@gmail.com. Thank you so much for your time, and I will see you on the field!

WWII HRS Scholarship 2018

Dear HRS Members,

It is my pleasure to announce this year's recipient of the WW2 Historical Re-enactment Society Scholastic Scholarship. Based on suggestions from the Scholarship Committee the Board unanimously voted to award the 2018 WW2 HRS Scholarship to Mr. Matt LeMasters of 3./SS Panzergrenadier Regiment 21 "Fruntsberg". Mr. LeMasters will receive the full \$500 scholarship for this upcoming school year. We had three fine candidates this year, I'd like to thank Mr. Michael Kowalski of the 4th Infantry Division (US) and Mr. Duncan Noak of the 29th Infantry Division (US) who came in a close 2nd and 3rd. I would like to thank the following HRS members who graciously took the time to review all the applications this year, they are Mike Hoffman, Dave Jeglinski and Tim Scherrer.

The WW2 HRS wishes to congratulate Matt on his scholastic success and is grateful for his passionate devotion to World War 2 reenacting and living history.

Regards,
Chuck Bolanis,
World War 2 Historical Re-enactment Society, Vice President
3./SS Panzergrenadier Regiment 21 "Fruntsberg", Unit Commander

Here is the letter submitted from Mr. LeMasters.

Dear HRS Scholarship Committee,

For the past eight years, I have been involved in World War II re-enacting and the HRS. To date, my impressions include American (both early and late European and Pacific Theaters), Waffen SS, Korean War, and World War I German. I am one of the founding members of, and am currently active with, the 10th SS Panzer Division "Fruntsberg." Although my primary impression is that of a Waffen SS Sturmman, my main interest in World War II is that of the United States in the Pacific War; more specifically, the history of the 37th Infantry Division. My interest in this unit began five years ago when I began looking into the history of my great uncle, Raymond LeMasters, who served with the Division but never talked about the war. What began as simply portraying him for a local display turned into a full-blown obsession that has not waned one bit. In addition to portraying the 37th Infantry Division for local displays at the Illinois State Military Museum (which I have volunteered at for seven years) along with some re-enactments, I have also conducted research at the National Archives in St. Louis, joined the 37th Division Veteran's Association, interviewed veterans of the Division, run a public Facebook page ("37th Infantry Division in World War II") dedicated to preserving the memory of the unit during the war, and am currently in the early stages of writing a book on the 145th Infantry Regiment.

In addition to being a re-enactor, I am also a student at the University of Illinois at Springfield, where I am pursuing a degree in history and demonstrate a 3.87 GPA; I have been on the Dean's List for the past two semesters. I have been a student at UIS for the past year, and prior to that I attended Lincoln Land Community College, where I earned my Associates Degree in spring 2017. While attending LLCC, I had an essay published in the Lincoln Land Review, the school's yearly art and literature publication of student's work. My essay, "The

Thousand Yard Stare: The Forgotten Struggle of the Greatest Generation” examined the effects of PTSD on World War II veterans and the often failure of society at the time to understand the effects of the war on veterans themselves. Along with LLCC, attending UIS has truly helped me to understand the historical process and the important role that the historian plays in today’s society. I have thoroughly enjoyed my education thus far and have been able to incorporate my passion for World War II into my school work. Besides the aforementioned essay on PTSD, I have also written two papers on the 145th Infantry Regiment’s actions during the New Georgia and Luzon campaigns, and gave a presentation, “Hitch in Hell: The 145th Infantry Regiment at Manila and Mount Pacawagan, 1945” at the UIS STARS Symposium this past spring.

Following my graduation from UIS next spring, I plan to either go straight into the historical field or take a year off before going back for my Master’s. Regardless, my ultimate goal is to either become a private researcher or work at a museum. Researching at the National Archives has been very enjoyable and there is always something new to find. However, interning at the Illinois State Military Museum this summer has also opened me up to the museum world and shown me that knowledge and research is just as important as the artifacts themselves. In addition to my future career, my future re-enacting plans include continuing to have the highest authenticity standards possible within my impressions, as well as continuing to educate the public about the Second World War and the sacrifices made during that period. If awarded the HRS scholarship, the \$500 would go towards either my tuition rate or books. It would ultimately help fund my education which, in turn, would help me to achieve my dream of becoming a private or museum researcher. Being a member of the society has been extremely gratifying these past eight years, and I would like to thank you for considering me for this scholarship.

*Respectfully, Matt LeMasters

HOW TO ATTEND a Board Meeting:

Monthly teleconference Board meetings are open to all members. Members do not need to register for the meetings nor do they need to contact the president or any board members.

They need to contact their unit commander for the call information to include phone number and password. This creates less of a choke point and gets the information out to more with less hassle.

The monthly board meeting time/dates will change to accommodate the board members time schedules.

World War 2 Historical Re-enactment Society

About Us

The World War Two Historical Re-enactment Society is an organization of over 1200 men and women members from coast to coast, as well as Canada and Europe. Our mission is to bring the history of World War Two to life with public displays, simulated battles, participation in parades, and a variety of other community activities.

The society strives to honor and preserve the memory of those who served in World War Two, as well as preserve the artifacts of that period.

Our members carry out a wide range of historical impressions, including those of The United States, the United Kingdom, the Soviet Union, Poland, and Germany.

Our focus is entirely on the military history of World War Two. We have no sympathy for the ideology of Nazism or fascism. Such beliefs are not welcome here.

If this exciting and rewarding hobby appeals to you, please consider joining us. Our hobby is dependent upon the talents and enthusiasm of its members and there is always room for new interest! Please contact any of our board members today for more information.

RK motioned to approve the agenda, as revised by WM and RK. MR and WM seconded. Agenda, as revised, was approved by BOD vote.

Reading of May Meeting Minutes

The May, 2018 Minutes were read by RK. RK motioned that the May Minutes be approved as read. That was seconded by WM and MR. The May Minutes, as read, were approved by BOD vote.

Officer Reports:

Vice President: CB reported that he received the end of the year report from the 1st Airborne Brigade, Company H, 507th Airborne, 82nd Airborne and will submit that to the Committee.

Treasurer Report by Wayne McCulley
SEE the Treasures Report Section in this EDGE.

Secretary – Ron K reported as of 17 July 2018 we have 865 Members and 16 Minor members. All unit commanders have been e-mailed their monthly unit membership report by Jeff Skender.

Commonwealth Rep - Matt has nothing to report.

Allied Rep - Corey Vaughn has nothing to report.

Axis Rep - Tabled.

Staff Reports

Membership Coordinator –
SEE the Membership Report Section in this EDGE.

Committee Reports:

S&A – CB had nothing to report.

Unit Commanders - JS had nothing to report

Vehicle Committee – With the resignation of Jim Schouten, the Vehicle Committee needs some direction. A discussion was held about the Committee, and CB reported that the Committee did some good work, but they had problems getting guys to participate. JS added in that the initial discussions regarding Jeeps and Kubelwagens went smoothly and got completed. After that, there seemed to be a steady and slow decline in participation. The votes on certain items seemed to languish and were never completed. CB reported that when Vehicle issues were brought to the S&A Committee, the committee didn't really have comments as they were not generally familiar with vehicle issues. JS suggested that the "new" Committee search out those people that just have vehicles and are not unit commanders, etc., who may have other

JS made a motion to move the Vehicle Committee to a free-standing sub-committee, and not be a part of the S&A Committee. A vote was taken and that was passed by BOD vote. CB asked whether that required a By-Law amendment, and JS will look into that issue.

Civilian Committee – Report tabled.

Old Business:

2018 HRS National Event – There were some talk, but nothing has been submitted regarding a National Battle. Brian Jones brought up that Matt Miller mentioned a 2019 event at Ft. McCoy, Wisconsin. They are doing a feasibility study at this time. CB brought up that a National Event at Camp Atterbury was a possibility, but that issue has been discussed by the BOD in the past. CV offered to speak to Weakley and Jones about the issue.

New Business:

Event Support:

Rockford. The Event Request for Rockford was submitted. RK reported that the registration site will be up in the next day or so.

Battle for St. Lo tactical in Haugen WI on Oct. 6th WM reported on the event. They are requesting \$300.00 which includes \$150.00 for an evening meal, \$100.00 for fuel. Last year, they had 23 HRS members last time. They are expecting 50+ attendees this year. Sponsoring Unit is 105th Combat Engineer BN, 30th Infantry Division. This is a tactical which they are charging for. It was discussed that the HRS send them 100-150. CB made the motion to approve \$125.00, which was seconded by RK. A vote was taken and approved. WM will notify the event what is required of them

Vehicle Transport Reimbursement Study JS asked if the Study was to be use as a guideline for the BOD to use when discussing event support. MR suggested that it be used a guideline on how to submit and what they can ask for. The request can be discussed by the BOD and either approved or disapproved. JS asked MR to put together something to be submitted to the BOD and thereafter, to be published in The Edge so people can start to use the guidelines. CB and MR discussed the issue of adding the requirement of owners of facsimile vehicles to provide proof of actual weight, such as a scale receipt or report.

Pyrotechnics The guidelines used by the GWA were sent to the BOD to review. JS reviewed the insurance policy with regard to pyro and it appears that we cannot allow homemade explosives at public events. CV asked if cannons, mortars, etc., would be considered pyro. The GWA rules seem to apply to grenades, or "things that are thrown or projected". Other types of items that are placed or dropped would not necessarily apply. A further discussion was held regarding the accident at Fort Indiantown Gap which involved a mortar.

Scholarship There have been 2 submissions. JS asked whether the deadline should be extended past August 1st. CB suggested leaving it at August 1st and we will see how many are submitted by the deadline.

Open Comments:

Jim Schouten brought up membership dues being able to cover all operating expenses for a particular year. JS mentioned that the BOD will be reviewing that issue before the end of the year with the possibility of increasing dues to cover the increased operating expenses. WM asked if the insurance expenses are going to increase every year. JS reported that although the expenses increased slightly every year, it was never as drastic as was for 2018.

Announcements: The next meeting is August 21, 2018.

Adjourn RK motioned to adjourn, CV and WM seconded. Approved by BOD vote. Meeting adjourned at 8:45 PM.
