However there were still some questions regarding insurance as the unit was already connected with the Detroit Arsenal Museum. Dave Jameson would get more information. The OKW was discussed however more information on exactly the role of the unit was needed and would be discussed further at the next meeting. The 11<sup>th</sup> Panzer Div was voted in unanimously. The 2<sup>nd</sup> SS Das Reich unit from Ohio needed the permission of the existing 2<sup>nd</sup> SS unit in Minnesota but other than that were ready to be voted on. A Volksstrum unit charter was coming.

The upcoming Northern National Battle at Fort Custer will possibly be attended by Elliott James, Greg Lee, and Jonathan Stevens weather permitting.

The Southern National Battle at Branson was a nice event and well done.

The Lancers probation period had expired however due to there disregard of the vehicle ban they were expelled from the WWIIHRS.

A question was raised as to the status of the 20<sup>th</sup> Century TSG. According to Don Drake who had spoken with a BOD member recently they were still in existence.
